ATTENTION

DK: Vigtig meddelelse

Inden du begynder at samle din pergola, skal du sørge for at tælle ALLE dele.

For at sikre en gnidningsfri samleproces anbefaler vi, at du kontrollerer, at alle komponenter er til stede og ubeskadigede, inden du starter. Følg disse trin:

- Pak alle dele ud og sammenlign dem med listen i manualen.
- Tjek for manglende eller beskadigede dele, før du begynder samlingen.
- Kontakt os straks, hvis du opdager fejl og mangler.

 Husk at genanvende og sortere dit affald med omtanke.

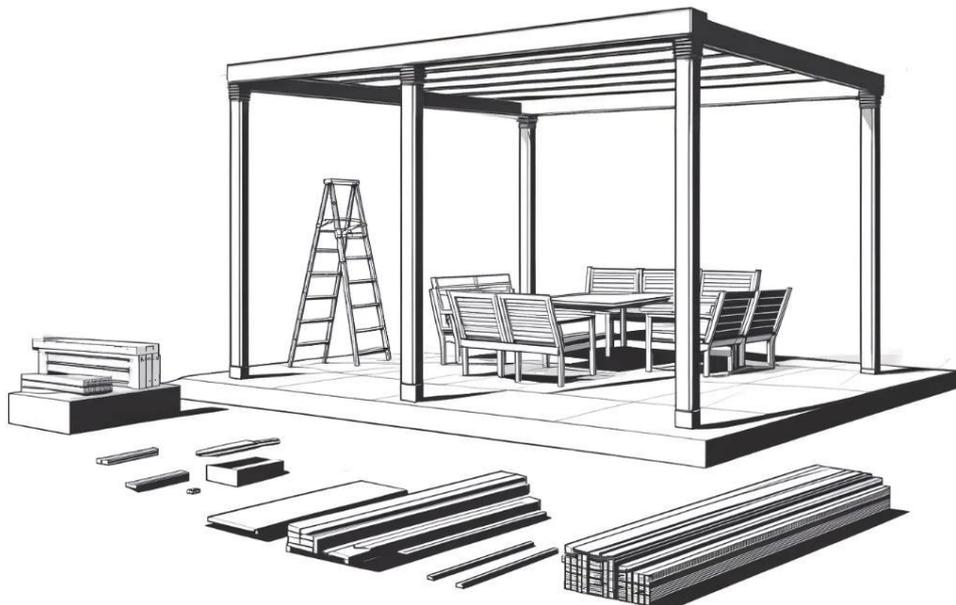

UK: Important Notice to Customers

Before you start assembling your gazebo, please ensure you count ALL parts.

To ensure a smooth assembly process and avoid any issues, we strongly advise you to check that all components are present and undamaged before you begin. Follow these steps:

- Unpack all parts and compare them with the parts list in the manual.
- Check for any missing or damaged parts before starting the assembly.
- Contact us immediately if any issues are found with your parts.

 Please recycle and sort your waste responsibly.
